

Marie E. Williamson PTA, CLT

Marie Williamson graduated from the PTA program and Lane Community College in 2011. Since then she has practiced in both the Acute Care and Outpatient settings. She participated in implementing the Marshal Steele Joint Replacement program at McKenzie Willamette Medical Center. Currently, she practices at South Lane Physical Therapy specializing in orthopedics, sports, spinal care; as well as lymphedema management and oncology care. In addition to practicing as a Physical Therapist Assistant she is also a certified Yoga, Pilates and fitness instructor. She enjoys volunteering her time to provide functional fitness education to local student athletes.
